OUR HOUSE-SMOKED & -CURED FISH

ALL OF OUR FISH IS SUSTAINABLY SOURCED

GRAVLAX

Gravlax is a Scandinavian-style cured salmon, involving a delicate brine of salt, sugar, dill, and lemon. Gravlax is never smoked, and has a silky texture and bright, fresh flavor.

SCOTTISH SMOKED SALMON

Scottish salmon is cured and cold smoked, and is the most comparable to traditional Nova style smoked salmon. Scottish smoked salmon has a buttery texture with a pleasant hint of smokiness.

PASTRALMON

A playful take on classic deli flavors, our Pastralmon is brined and cold-smoked, and rubbed with pastrami seasoning.

KIPPERED SALMON

Kipper salmon is also called "baked salmon." It is brined and hot-smoked, resulting in a moist, flaky texture, and a rich presence of salinity and smokiness.

SABLE (BLACK COD)

Sable has white flesh and a high oil content, and is known for its rich, buttery flavor. Our sable is cured and hot-smoked, then finished with a dusting of paprika. This is a classic style of smoked fish on the east coast.

HOT-SMOKED STURGEON

Known for its caviar, Sturgeon has a firm texture and sweet, delicate flavor. We brine and hot-smoke our sturgeon, resulting in a unique finish that is clean and earthy with a smoky balance.
